IMAGINATION!

Rocket Portable outdoor sidewalk sign system

Custom graphic up to: 36" x 36"

The Rocket's small size and durable construction make it ideal for sidewalk advertising. The base can be filled with water for added stability, and the spring-loaded graphic support provides the durability and flexibility needed to withstand changing outdoor elements. Graphic size is variable, with a maximum of 36" x 36". Recommended size is 24"wx36"h
