# Storm Pro Outdoor Banner stand, Single or Double Sided

Graphics : 23.5" x 63" or 83"

## Storm-PRO Telescoping Banner Stand

The Storm PRO 2 has all the features of the Storm Pro in a double sided version. Each unit comes with a hollow base allowing the option of adding either water or sand as a weighting agent. The Storm PRO 2 offers the added feature of extending stabilizer feet that make this system superb for outdoor banner display. The telescopic support pole and completely adjustable central hub allow you to vary the height and width of the graphic to fit your needs. You can also rotate the graphic 45° or from horizontal to vertical. Available in a silver finish, systems include stabilizer feet. Unit comes packed in a corrugated cardboard box. Graphic size: 23.5" W x 63" H (minimum) or 83" H (maximum) with optional bottom graphics clips.
