Graphics Specs for The AUTOSCROLLER

Graphic: 30.5" x 160". Add 1.5" bleed top and bottom. Make top and bottom the same color so when it loops it looks connected.

AUTOSCROLLER™ scrolling banner stand

If you want an easy set up banner stand that will turn heads, discover the AutoScroller scrolling banner stand. This revolutionary design delivers twice the content in the same space as a static stand - for a surprisingly low price! The AutoScroller rotates a continuous 160" (405cm) graphic, which is easily fabricated using standard printers and finishing processes. The unit sets up quickly, driving the graphic continuously using an electric motor concealed in the base.

Specifications:

- Standard Graphic Width x Height:** 30-1/2" x 160"* (77.5 cm x 405 cm)
- Weight:** 14.3 lbs (6.5 kgs)
- Rated Power:** 4 to 6 Watts
- Power Supply:** 220V-240V 50HZ or 110V 50/60HZ
- Material:** Aluminum base

Height and width options shown are for the finished displays only. The graphics are not retractable.
